

S.N. CONVENT SCHOOL AND COLLEGE

SIDHARI, AZAMGARH – 276001

Established: Since 2000

Founder & Manager: Mr. Anand Prakash Tiwari

S.N. Convent School and College, Sidhari, Azamgarh, was established in the year 2000 with a noble aim to provide quality education to children from all sections of society.

The founder and manager, **Mr. Anand Prakash Tiwari**, envisioned a school where every child, regardless of their background, could receive quality education at affordable fees with all modern facilities.

The school is committed to creating an environment where students can learn, grow, and develop morally, intellectually, and socially.

Here, we believe that every child has potential and that with the right guidance, support, and resources, they can achieve great success in life.

Our aim is to provide the best education at minimum cost, along with all the necessary facilities, so that every child can build a bright and successful future.

Spiritual and Moral Values

- To be firm in their faith in God and to have love for personal prayer.
- To have a sense of right values.
- To have strong personal convictions.
- To have the ability to make personal decisions.
- To have respect for parents and those in authority.
- To be kind and sympathetic towards others.
- To be devoted to duty.
- To be appreciative of our national heritage and culture.
- To develop logical reasoning and critical judgement with regard to mass media.

Intellectual Formation

Students should be:

- Able to choose a career that will be of service to the community.
- Ready to strive for excellence in all they do.
- Aware of their talents and skills and able to develop them to the fullest.
- Able to gain confidence in themselves through participation in public speaking and cultural and co-curricular activities.
- Ready and willing to share their knowledge with others.
- Keenly desirous of learning.
- Ambitious to acquire positions of influence in order to be of service to others.
- Trained in leadership so that they can bring about a desired social change in family, society, and the nation. Co-curricular activities of a varied nature are provided in order to promote a harmonious development of both mind and body.
